

DELTON FIRE DEPARTMENT

Proudly serving the Village of Lake Delton, Town of Delton, and Town of Dellona

AGENCY: Delton Fire Commission
RFP NUMBER: 21-01 Amendment
RFP TITLE: Interior Top Mount Fire Engine

This is an amendment to the RFP 21-01 that was issued on December 6, 2021.

BONDING

A bond for 5% of the proposal price will accompany all bids submitted.

The Delton Fire Commission will require the successful respondent to submit a performance bond for 100% of the proposal price. The bond is due fourteen (14) days after the respondent has been awarded the contract to build (the bond is subject to approval by the Delton Fire Commission).

ENGINE

The chassis engine shall be a Cummins ISL9 450 HP.

125-VOLT POWER RECEPTICALS

The receptacles, except for the cord reel, will be powered via shoreline when the generator is off.
