**NOTICE TO SNOWMOBILERS**  
 The land in this area is privately owned. By their kindness, these private land owners have allowed us to build snowmobile trails across their property. This permission is for trails only. Snowmobiling any place else on their land is trespassing. If you trespass, you will be reported to the Law Enforcement Authorities. You also may be sued for trespassing and damages by the landowner.  
 We build and mark snowmobile trails for your convenience. You may ride on them at your own risk if you observe the rules that are listed on the other side.
